

November 11th, 2020

Dear Residents and Family/Friends,

I want to acknowledge Remembrance Day with special thanks to Seton Villa residents who served for Canada.

Thankfully, we continue to have only ONE case of COVID-19 at Seton Villa and this person is doing well.

Good news, after careful consideration, I am pleased to announce that as of tomorrow, Thursday, November 12th, meals will be served in the dining room starting with breakfast.

Reminders:

- outside of mealtimes, please stay in your room
- always wear a mask when out of your room
- if you don't have a mask, ask for one from any of our staff
- activities remain cancelled
- the Penthouse is off limits
- you can walk around the hallway on your floor for exercise
- going out is not permitted except for medical appointments – you must inform that office that you are coming from a building with COVID-19 (this has not changed)
- visitors are not permitted
- deliveries are accepted at the west-side door (families, follow the pink arrows to the doorbell)

Again, the big change as of tomorrow, is a return to meals in the dining room. You need to wear your mask when out of your room, eat in the dining room and wear your mask and go straight home to your room.

As always, be patient, kind, and give thanks to our staff. Let's all take care of each other as we get through this together.

Best,

Michele Cook

Executive Director
